Re: Toehl Harding v. David Naseman; 07 Civ. 08767 (RPP)

Dear Judge Patterson:

We represent the defendant in the above-referenced action.

Defendant filed his reply papers yesterday in further support of his motion to enforce a settlement or for summary judgment. In connection with such filing, defendant filed, among other things, his reply declaration which was entered as Document #34 on the docket sheet. Mr. Naseman's declaration contained exhibits that included social security numbers. We intended to redact this information but inadvertently filed the unredacted exhibits. We immediately called the ECF hotline and spoke with Mr. Zing who placed a temporary seal on the exhibits that contained the social security numbers (Exhibits A and B).

We subsequently re-filed defendant's reply declaration with the redacted exhibits. This redacted reply declaration was entered as Document #36 on the docket sheet.

As per the instruction of Mr. Zing, we are respectfully requesting that the Court order that Document #34 on the docket sheet -- the entry which contains the unredacted social security numbers -- be officially deleted from the docket sheet.

Application granted
So ordered
